LEAVING CAMP:

A Checklist for RVers

Whether it's due to feeling rushed or the excitement of getting back on the road, many RVers make mistakes or leave possessions behind when departing camp. This checklist will help you to avoid these mistakes.

LEAVING CAMP CHECKLIST

EXTERIOR

- Store all exterior items, including outdoor furniture, lighting, decor, rugs/mats, etc.
- Disconnect and store cable, satellite, antennae, WiFi and/or cellular booster.
- Raise stabilizers and stairs, and pull chocks.
- Retract and secure awning.
- Unhook and dump grey and black holding tanks, and disconnect, rinse and store sewer hose, rinse hose, coupler and adapter.
- Fill fresh water tank and store hose.
- Unplug electrical power cord, store it and lock access door.
- Turn off propane.
- Inspect slide out covers and remove any debris.
- Close and lock all cargo doors.
- Examine and fill tires to correct pressure.
- Measure oil and coolant levels and refill as needed.
- Check area for high and low obstructions to avoid damaging RV.

TOAD (TOW BEHIND MOTORHOME)

- Make sure all contents are evenly distributed for balance.
- Check connections.
- Check brake lights, parking lights and turn signals.
- Check and fill tires if necessary.
- Make sure vehicle is in correct gear and parking break is OFF.
- Lock doors.

LEAVING CAMP CHECKLIST

TOW VEHICLE (PULLING RV)

- Extend mirrors.
- Turn on/engage tow haul, trailer e-brake connector, weight distribution hitch, sway control, and tow vehicle to trailer wiring harness.
- Check brake lights, parking lights and turn signals on both vehicles.
- Check and fill tires if necessary.

INTERIOR

Store and secure all items:

- | | |
|---|--|
| <input type="checkbox"/> Dishes, Cookware and Utensils | <input type="checkbox"/> Shower Door |
| <input type="checkbox"/> Stove and Sink Covers | <input type="checkbox"/> Toiletries |
| <input type="checkbox"/> TV and Electronics | <input type="checkbox"/> Decor |
| <input type="checkbox"/> Remote Controls | <input type="checkbox"/> Fans, Heaters and Dehumidifiers |
| <input type="checkbox"/> Cables and Cords | <input type="checkbox"/> Countertop Appliances |
| <input type="checkbox"/> Brooms, Vacuum and Mops | <input type="checkbox"/> Toys |
| <input type="checkbox"/> Cabinets and Doors | <input type="checkbox"/> Books |
| <input type="checkbox"/> Refrigerator and Freezer Doors | <input type="checkbox"/> Medication |

-
- Gather all trash for disposal before you leave park.
 - Put refrigerator contents in crisper drawers or door. Remember to latch door.
 - Retract slide outs.
 - Retract hydraulic levelers if you haven't already.
 - Set thermostats and fans, or turn them off.
 - Close windows.
 - Make sure blinds, curtains and shades are in preferred configuration for trip.

LEAVING CAMP CHECKLIST

PETS

- Secure food and water bowls.
- Clean and secure litter box.
- Make sure leashes are handy.
- Give pets medicine if necessary.
- Put pets in carriers.
